Monitoring and evaluation needs to be specific within these roles and responsibilities as this will greatly assist further improvement in the quality of teaching and learning.</li> <li>• Within the Diocese, the school is part of the wider church family. This sense of belonging should be enhanced by developing the school's outreach into the parish, building on the strong parish links into school.</li> <li>• Review its Mission Statement.</li> </ul>	

<b>THE CATHOLIC LIFE AND ETHOS OF THE SCHOOL</b>	<b>2</b>
<ul style="list-style-type: none"> <li>• The Catholic life of the school is expressed in its daily workings.</li> <li>• There is no doubt that the children and the community appreciate the school as a place of love and care.</li> <li>• The Mission Statement or school motto, 'Love God And Love One Another' is known and valued by the whole community. This is in need of review to ensure all members of the school family are fully involved in and committed to the vision of Holy Cross as a Catholic school.</li> <li>• The Governors have a firm understanding of the school's vision and direction they offer appropriate support and challenge.</li> <li>• The Headteacher, supported by the whole staff team, is committed to developing the Catholic life of the school.</li> <li>• The Parish Priest is fully involved in the school and works hard to support the whole community.</li> <li>• The RE Team make a significant contribution to the school as a Catholic community.</li> <li>• The school is fully inclusive and the support offered to families is appreciated.</li> <li>• The care and guidance offered to all members of the school community significantly enhances the Catholic life of the school.</li> </ul>	

<b>COLLECTIVE WORSHIP</b>	<b>2</b>
<ul style="list-style-type: none"> <li>• Collective worship is well planned and is integral to the Catholic life of the school.</li> <li>• All staff are involved in leading these celebrations and this shows a real commitment to the Catholic ethos of the school.</li> <li>• The assembly observed was well presented by a group of children and the other children listened attentively. Opportunities for all the children to participate in prayer and reflection would have enhanced this further.</li> <li>• This contributes to the spiritual and moral development of the children.</li> <li>• The prayer focus areas are relevant and enhance the spiritual dimension of each class.</li> <li>• The weekly Mass celebrated at the end of each Friday afternoon is a high point, a growing family celebration.</li> <li>• Music plays a very important part in collective worship. The children enjoy this and participate enthusiastically.</li> </ul>	

<b>SPIRITUAL AND MORAL DEVELOPMENT AND OVERALL PERSONAL DEVELOPMENT OF PUPILS</b>	<b>3</b>
<ul style="list-style-type: none"> <li>• The school contributes to the well-being of the children although, as yet, there is no policy in place for spiritual and moral development</li> <li>• The behaviour of the children was satisfactory overall. In the joint Key Stage 1 and 2 act of collective worship behaviour was very good indeed.</li> <li>• There are very good structures in place to support children who have additional needs.</li> <li>• The school contributes well to the social development of the children through a good range of activities and visits, many of which are subsidised.</li> <li>• The school acknowledges that there is more to be done to enhance the cultural aspects of education and this is a planned development.</li> </ul>	

<b>PARTNERSHIP: PUPILS, PARENTS, PARISH(ES) AND WIDER COMMUNITY</b>	<b>2</b>
<ul style="list-style-type: none"> <li>• The children enjoy the responsibilities they are given and the newly re-established School Council is an example of this.</li> <li>• A feeling of value and respect permeates the school on all levels.</li> <li>• Links with the community are good. Developing more opportunities to give service to the wider community would enhance the school further.</li> <li>• The children enjoy making a contribution to the community and are generous with their fundraising, for example participating in the Banardos Big Toddle and supporting CAFOD.</li> <li>• Parents are welcome partners in the education process and are well aware of the mission of the school. The weekly Friday Mass is a tangible sign of the parish commitment to the school community.</li> <li>• Parish links are excellent and the support of Fr Phil has been instrumental in making school the 'hub' of this area of the parish. Work now needs to be focused on developing school outreach into the parish, raising awareness within the whole community that the school is part of the wider church family.</li> <li>• Links with other schools are also good as shown by the recent 'cluster' INSET Day. Once again, opportunities to participate in joint Catholic school events within the parish would cement the school as part of the parish family.</li> <li>• The school has a strong sense of community cohesion.</li> </ul>	

<b>ACHIEVEMENT AND STANDARDS IN RELIGIOUS EDUCATION</b>	<b>3</b>
<ul style="list-style-type: none"> <li>• Achievement and standards in Religious Education are satisfactory given the low starting points of many pupils.</li> <li>• Where there is good teaching and learning, progress is good. This good practice needs to be shared in order for achievement and standards to improve further.</li> <li>• The children show a positive attitude towards religious education.</li> <li>• Pupils with additional needs make progress due to the good support they receive.</li> </ul>	

<b>QUALITY OF TEACHING AND LEARNING</b>	<b>3</b>
<ul style="list-style-type: none"> <li>• Teachers have good subject knowledge and the support of the RE team is appreciated in by staff.</li> <li>• The quality of teaching and learning varies, with the vast majority being at least satisfactory or good. Teaching assistants and other staff support children effectively in their learning.</li> <li>• In many classes work is appropriately differentiated. In lessons where the children are given interesting and exciting challenges they are motivated in their learning.</li> <li>• There are some good examples of targeted marking which gives feedback to children and informs them of the next steps in their learning.</li> <li>• Assessment procedures are in place which enables work to be matched to pupils' interests and abilities.</li> <li>• The curriculum meets the Diocesan requirement of 10% Religious Education. However, the timetabling of these lessons should be looked at so there is a balance of quality time given to RE.</li> </ul>	

<b>LEADERSHIP AND MANAGEMENT IN DEVELOPING THE CATHOLIC LIFE AND ETHOS OF THE SCHOOL</b>	<b>2</b>
<ul style="list-style-type: none"> <li>• Overall the leadership and management in developing the Catholic life and ethos of the school are good.</li> <li>• The mission statement, 'Love God and Love One Another' is integral to the life of Holy Cross as a Catholic school</li> <li>• The Headteacher, leadership team and all staff are fully committed to the Catholic mission of the school.</li> <li>• The Parish Priest is pivotal in promoting Holy Cross as a Catholic school. He is fully involved in the school and works hard to support the whole community.</li> <li>• The professional development of all staff is given high priority and there are opportunities for staff to grow and develop spiritually.</li> <li>• The Governing Body is pro-active in shaping the vision and direction of the Catholic life of the school. They offer appropriate challenge and support.</li> <li>• Parents appreciate the Catholic nature of the school and are supportive of its aims and goals.</li> </ul>

Lesson observations are currently carried out by the Headteacher. Monitoring procedures led by members of the RE team now need to be fully embedded as the roles and responsibilities of the team are clarified.</li> <li>• The new school building provides an outstanding environment in which to learn and develop and this is supported by a high level of resources.</li> </ul>
